ABOUT THE HAINES CENTRE:

Haines Centre for Strategic Management is a US- based, international, consulting, training and executive development firm of Master Consultants, who use The Systems Thinking Approach[®] to provide executive coaching and consulting, training, keynote presentations, public workshops, and customized in-house training.

ABOUT STEPHEN HAINES:

Steve is the world's foremost authority and leader in the Systems Thinking Approach[®] to Strategic Management (Planning-People-Leadership-Change). He has led the Best Practices research, development, and expansion of Strategic and Systems Thinking for more than 25 years.

Steve is regularly invited to travel the world consulting with CEOs of progressive organizations, while keynoting and facilitating CEO and Executive Seminars as a distinguished and prolific author.

He is a U.S. Naval Academy graduate from the Legendary Leadership Class of 1968 and has been a Senior Executive with major corporations. Steve has a Masters in OD from George Washington University, and has completed doctoral work in Educational Psychology from Temple University in Philadelphia.

DIVERSE INTERNATIONAL FACILITATORS:

Our Global Managing Partners are highly skilled CEOs and certified Centre facilitators. They are in demand as Systems Thinkers, keynote speakers for international conferences, and work with CEOs, executives, and on unresolved strategic issues.
