The Systems Thinking Approach® to Strategic Management

Achieve your desired outcomes with simplicity, clarity, and speed.

The Haines Centre for Strategic Management's master consultants and trainers jointly help you Reinvent Strategic Planning for the 21st century and the new normal. This is the new way successful executives and boards manage their organizations strategically on a daily, weekly, monthly, and yearly basis.

The world economic order is being re-structured—*are you ready?*

It's called Strategic Management (Planning, People, Leadership, and Change to Deliver Customer Value). The Centre's useful and practical Strategic Management process is *always tailored to your needs*.

Tailored to Your Needs:

- ✓ Organization size
- ✓ Industry and sector
- ✓ Location
- ✓ Time Available

Choose from Three Options, Tailored to Your Needs:

Micro Strategic Planning

Size: Small business owners, major functional areas, major program areas, strategic projects, workgroups, departments, and not-for-profits

Goal: To achieve and sustain business excellence or to be "sale-ready" and maximize your value

Time: 2 days of meetings, over 2-4 weeks

Option 1

Strategic Planning Quick

Size: Medium size organizations

Sectors: Private, public, and not-for-profit

Goal: To grow and sustain your viability in the 21st century or to be "sale-ready" and maximize your value

Time: 5 days of meetings, over 2-3 months

Option 2

Comprehensive Strategic Planning

Size: Large organizations with multiple business units, programs, and major functional areas

Sectors: Private and public

Goal: Cascade of planning and change to align your entire organization for successful, sustainable results

Time: 10 days of meetings, over 3-6 months
(with simplicity, clarity, and speed of execution)

Option 3

Celebrating 20 Years of Business Excellence
