"The empires of the future are the empires of the mind."

– Winston Churchill

ARE YOU A STRATEGIC & SYSTEMS THINKER?

–On a Daily Basis?–

What is Your Personal Strategic IQ?

Instructions:

Answer the following questions using one of the responses below:

No = 1, A Little = 2, Some = 3, Mostly = 4, Yes = 5

When working with a large issue in your work or life:

1. ___ Do you ensure first that you have a clear set of purposes/outcomes on any new initiative you undertake?
2. ___ Do you ensure clarity and agreement on outcomes by key other people before proceeding?
3. ___ Do you look at what is going on in the environment around your issue (i.e. a helicopter view) and analyze it's implications before proceeding past clarity of purpose?
4. ___ Do you get agreement on how you will know or measure when you have achieved your purposes?
5. ___ Did you dig hard to find the multiple root causes (instead of knee-jerk solutions/quick fixes) before deciding on the final solutions?

ARE YOU A STRATEGIC & SYSTEMS THINKER? (The Systems Thinking Approach®) Self-Assessment**

THANK YOU FROM SYSTEMS THINKING PRESS

Dear Colleagues,

I would like to take this time to wish you and yours a Happy Holiday, and thank you for your continued support of Systems Thinking. 2006 was a record breaking year here at Systems Thinking Press®, and we could not have had this success without you, our valued customer.

As a thank you, we would like to offer you 10% off on all your orders through December 24, 2006. Take some time and browse through our extensive collection of over 350 Systems Thinking products, with prices starting at \$9.95. You are sure to find something for the Strategic Thinkers on your list.

Warmly,

Stephen Haines
