ATTENTION:

SPECIAL EVENT
Group Facilitation:
Practice, Practice, Practice

WHAT: Through this highly interactive 2 1/2 day workshop you will learn how to become more effective in the tools, tips and techniques required for successful group facilitation. As a result of attending this unique workshop led by Master Facilitator Stephen Haines, you will learn the holistic system of group facilitation. Using this system you will enhance your knowledge and skills and have a better understanding of the role the facilitator plays. You will be able to utilize the tools and techniques immediately during the workshop through interactive group work. After the workshop you will have increased self-confidence to facilitate meetings, retreats, trainings and workshops with ease and success. Your professional presence and presentation skills will increase tremendously. The knowledge gained will help you in life-long career and skills growth. There are so many more benefits for attending so visit our website: www.HainesCentre.com for more information or call 619-275-6528 today!

WHO: This workshop is led by Stephen Haines. He is a Master Facilitator with over 30 years of experience working with companies to insure their overall success. Stephen Haines is the Founder and CEO of the Haines Centre for Strategic Management, the World

Leaders in Strategic Management. Stephen is a U.S. Naval Academy graduate with the legendary leadership class of 1968 and has over 14 books in print. The Haines Centre was founded in 1990 and currently has offices in over 20 countries.

WHEN: October 23-25 2007
8:00am-5:00pm

WHY: In today's global business world of complex and dynamic change the desire for extraordinary results and the ability to remain highly competitive make this workshop a must for Group Facilitation Leaders.

WHERE: Marina Village Conference Center
1936 Quivira Way
San Diego, CA 92109
