CENTRE COURSES:

Each Centre course is designed to provide participants with the diverse perspectives of our Global Partners, economy and organizations. Various US, Canada and Global Partners co-facilitate our seminars.

THE CENTRE:

Haines Centre for Strategic Management is a US-based, international, consulting, training and executive development firm of Master Consultants, who use The Systems Thinking Approach® to provide executive coaching and consulting, training, keynote presentations, public workshops, and customized in-house training.

ABOUT THE FACILITATORS

STEPHEN HAINES, CENTRE FOUNDER AND FACILITATOR:

Steve is a graduate of the US Naval Academy, a CEO, entrepreneur, and strategist. He is also a facilitator and systems thinker. Steve is a distinguished author and internationally recognized leader in strategic management. He has an M.S.A. in Organization Behavior with a minor in financial management and completed course requirements for his Ed.D. in Management. Steve has over 25 years of CEO, Senior Executive and consulting experience leading planning, leadership, and change efforts in the U.S., Canada, and globally. He is the lead facilitator for many of the Centre's global seminars. Visit www.StephenHaines.com.

DIVERSE INTERNATIONAL FACILITATORS:

Our Global Managing Partners are highly skilled CEOs and certified Centre facilitators. They are in demand as Systems Thinkers, keynote speakers for international conferences, and work with CEOs, executives, and Boards-of-Directors on unresolved strategic issues.
